BLOOM

Because of you, our community stood tall and bright.

Together, we raised over \$1.3 million in net funds for programs that help grow strong roots for generations of Calgarians to come. This year's Calgary's Best Party with a Purpose wasn't just an event, it was a living garden of connection, generosity and possibility.

THANK YOU!

Dear Friends,

Look at what we've grown together: a community where every act of generosity plants something real. Because of you, Calgarians continue to flourish, not just for today, but for generations to come. This year's success was only possible because of the incredible contributions of you, our donors, friends, volunteers, artists, local businesses, and our dedicated staff and youth employment team. Each of you is a vital part of our garden. Together you grew a thriving community of impact that resulted in an extraordinary **\$1,330,052 in net funds raised.**

The recap of the event still inspires us. From the moment guests arrived to the soft sounds of violinist Angela Smart and mingling over beautiful canapés while exploring our most impressive auction lineup yet, the energy in the room was full of connection and anticipation. We then transitioned into a theatre style setting for an extraordinary performance by Corps Bara Dance Theatre Group as they explored the journey from isolation to connection, mirroring the path many youth and families travel with Trellis by their side. Two powerful impact videos followed, along with heartfelt remarks from emcee Richard Bartrem. We were honoured to share more about Trellis' work, which then flowed into an electric live auction led by Patrick Cassidy. Thanks to your generosity, we raised our highest grossing total ever.

The celebration continued on the dance floor and just before 10:45 pm, we reached the milestone moment of \$1 million net raised, a powerful reflection of what is possible when a community comes together.

Every gift, every moment, and every effort helped cultivate a field of possibility, filled with light and hope for those we serve. On behalf of the Board and our team, we offer our deepest gratitude. Your generosity, your passion, and your belief in this work ensure that the seeds we plant today will flourish for years to come.
